

Are you looking for an opportunity to serve your community?

Do you want to help celebrate the history of our town and surrounding communities?

Can you “rally the troops” into action for a good cause?

Have you been disappointed with the decline in the Madison-Anson Days activities in recent years – especially during and post-COVID?

If you answered YES to any of these questions, WE NEED YOU!!!

In August of 2024, Madison will be commemorating the 300th anniversary of the massacre of the Abnaki Indians and Fr. Sebastian Rasle, a Jesuit priest sent from France to be a missionary to the Native peoples.

Additionally, we want to draw from all the various crafty, talented members of our vibrant community. We hope to have a HUGE celebration that lasts days, not just hours. In years past, we’ve had cook-offs (chili one year, dynamites another year), 5k races, carnivals, vendors (food, crafts, cloths, jewelry, etc.), as well as the annual parade.

The Madison-Anson Days committee needs YOU!

FMI or to sign up, contact Denise Ducharme, Madison Town Manager 696-3971.
