Lynch Landscaping Inc. will be performing Japanese Knotweed control in the Town of Madison commencing on or about September 29, 2025 and ending no later than October 25, 2025. The areas designated for spraying include but are not limited to:

- East Madison Road
- Madison Boat Landing
- Davis Road
- Lower Mills Road
- Old County Road
- Hardy Street
- North Street
- Public Parking (near Cumberland Farms and near Reny)
- Orchard Road
- Weston Woods Road
- Blackwell Hill Road
- Russell Road
- Maple Street
- South Maple
- Pine Street
- Ash Street
- Jones Street
- Nathan Street
- Spruce Street
- Ward Hill Road
- Hardy Street
- North Street
- Lower Nichols Street
- Leighton Street
- Houghton Street
- The former Transfer Station perimeter

The purpose of this spraying will be to control invasive knotweed from roadsides and other identified areas.
